

NUST - A Comprehensive University

7 Campuses in 5 Cities

22 Constituent Schools/Colleges

182 Programmes (45 UG, 83 MS & 54 PhD)

900 PhD Faculty 1300+ Faculty

4% UG Student Acceptance Rate

26000+ Students

Female Faculty 31% Female Students 35%

445 Labs 34 Key Labs

10 Industrial Labs

63000+ Graduates

ONLINE APPLICATIONS

The process of registration is online. Candidates can view the required information and fill/submit the application form available at: <https://ugadmissions.nust.edu.pk/>

APPLICATION PROCESSING FEE

 **Entry Test Fee (per exam per programme) - Rs 5,000/- or \$40/-**

NUST ENTRY TEST (NET) SCHEDULE

NET	Online Registration	Conduct of CBNET (Islamabad / Quetta)	Conduct of PBNET (Karachi / Gilgit)
Series-1	Oct - Nov	Nov - Dec	—
Series-2	Dec - Jan	Feb	Mar
Series-3	Feb - Mar	Mar - Apr	—
Series-4	Apr - Jun	Jun - Jul	Jul

Undergraduate Programmes Offered at NUST

NUST offers Undergraduate Programmes in the disciplines of Engineering & Technology, Computing & Information Technology, Life Sciences & Medicine, Arts & Humanities, Natural Sciences, Social Sciences, and Business & Management.

Programmes

ENGINEERING PROGRAMMES

- Aerospace Engineering
- Avionics Engineering
- Mechanical Engineering
- Electrical Engineering
- Mechatronics Engineering
- Computer Engineering
- Software Engineering
- Information Security Engineering
- Civil Engineering
- Environmental Engineering
- Geoinformatics Engineering
- Energy Engineering
- Chemical Engineering
- Metallurgy & Materials Engineering
- Naval Architecture & Marine Engineering

BUSINESS STUDIES & SOCIAL SCIENCES

- Bachelor of Business Administration
- BS Accounting & Finance
- BS Tourism & Hospitality Management
- BS Economics
- BS Mass Communication
- BS Psychology
- BS Liberal Arts & Humanities
- Bachelor of Public Administration
- BS International Relations
- Bachelor of Laws (LLB)

NUST NEED-BASED SCHOLARSHIPS

NUST offers a limited number of NUST Need-based Scholarships (NNBS), for which separate form is available for needy candidates alongside the NUST Entry Test Registration Form. Several other criterion-based scholarships are also available to partially/fully support the students.

COMPUTING PROGRAMMES

- BS Computer Science
- BS Data Science
- BS Artificial Intelligence
- BS Bioinformatics

APPLIED SCIENCES

- BS Biotechnology
- BS Environmental Science
- BS Agriculture

ARCHITECTURE & INDUSTRIAL DESIGN

- Bachelor of Architecture
- Bachelor of Industrial Design

NATURAL SCIENCES

- BS Mathematics
- BS Physics
- BS Chemistry

INTERDISCIPLINARY PROGRAMMES

- BS Robotics & Artificial Intelligence
- BS Food Science & Technology

OTHER PROGRAMMES

- Bachelor of Medicine & Bachelor of Surgery (MBBS)
- BS Human Nutrition & Dietetics
- BS Nursing

NUST Entry Test (NET)

- NUST Entry Test (NET) is a **200 marks, MCQ-based test** with **no negative marking** and must be completed within **3 hours (180 minutes)**
- Candidates may appear in the entry test more than once, with the best score considered for merit generation. However, only one attempt per series is allowed for a particular discipline

ELIGIBILITY CRITERIA

 **The equivalence certificates must be issued by IBCC only**

- 1 Minimum 60% aggregate marks each in SSC and HSSC OR equivalent exams
- 2 Candidates of HSSC can apply for NET based on Part-I results but confirmation of admission is subject to provision of complete result of HSSC
- 3 Candidates of O/A Levels or any other foreign qualification can apply for NET based on O Levels equivalence certificate. Confirmation of admission is subject to provision of A Levels equivalence certificate with a min of 60%
- 4 SSC / O Levels / Equivalent qualification (Science Group) is required for Engineering & Applied Science programmes

ACT/SAT based Seat Requirements

A limited number of seats are reserved in all UG programmes for admission on ACT/SAT basis. Pakistani candidates from both O/A Levels and FA/FSc streams can apply for these seats by taking the ACT/SAT and submitting the following scores:

Programmes	ACT/SAT Scores Required
Engineering Computing Applied Sciences Interdisciplinary Architecture / Industrial Design	ACT Composite Score & ACT Science Score (Min Score to Apply - 25)
Natural Sciences	ACT STEM Score (Min Score to Apply - 25)
Business Studies & Social Sciences / LLB	SAT (Min Score to Apply in Each Subject-550) OR ACT Composite Score (Min Score to Apply - 25)

- 1 ACT is conducted by ACT, USA. For more information, visit www.act.org
- 2 NUST institutional code to receive ACT scores is 2915. ACT scores are valid for two years
- 3 SAT is a computer-based test held under the management of College Board, USA. For more information, visit www.collegeboard.com
- 4 NUST institutional code to recieve SAT scores is 2790. SAT scores are valid for two years
